MEMBERSHIP:

All new members must pay the membership fee and complete a satisfactory probation period with documented attendance in order to become a full member.

A satisfactory probation period and club membership are required when applying for a F.A.C.

Full membership is available to applicants who have served a satisfactory probation period and have paid the full yearly subscription fee.

All members must comply with current legislation and club bylaws. Current shooting club membership is a legal requirement to keep firearms and the club is required to inform police, details of membership and attendance.

Please let us know if you have a criminal record under section 21 of the Firearms Act, that may affect your application for a FAC. (live shooting only) having a criminal record will not necessarily bar you from getting an FAC, but as a shooting club we have to ask this question.

We are a safe and friendly club and don't encourage boisterous behaviour while on the range, we are also very keen to seek young people wanting to learn how to shoot safety and enjoy shooting.

Any Member who does not pay the yearly subscriptions fee by the date stipulated on the reminder will not be insured under the club affiliation to the National Small Bore Rifle Association insurance scheme.

I have read the club's constitution and bylaws, including the Safeguarding Policy, of the Great Yarmouth Rifle & Pistol Club and agree to abide by them.

I also agree under the GDPR to my data being held on computer for the use by the GYRPC.
